

ATS Corporation Awarded GSA MOBIS Contract

MCLEAN, VA – February 8, 2012 -- ATS Corporation ("ATSC") (NYSE AMEX: ATSC), a leading information technology company that delivers innovative information and business technology solutions to government and commercial organizations, today announced that it has been awarded a five-year General Services Administration ("GSA") Mission Oriented Business Integrated Services ("MOBIS") schedule contract. The MOBIS program offers a broad range of management and consulting services to help Federal agencies optimize their performance toward achieving mission goals.

Co-CEO and CFO, Pamela Little said. "ATSC is pleased to have been awarded this schedule contract because of the opportunities it provides to apply our deep program management support expertise in support of Federal agencies' efforts to better align their projects with mission goals while enhancing their responsiveness to changing requirements and reducing risks and costs."

About ATS Corporation

ATSC is a leading provider of software and systems development, systems integration, infrastructure management and outsourcing, information sharing and consulting to the Department of Defense, federal civilian agencies, public safety and national security customers, as well as commercial enterprises. Headquartered in McLean, Virginia, the Company has more than 450 employees at four locations across the country.

Any statements in this press release about future expectations, plans, and prospects for ATSC, including statements about the estimated value of the contract and work to be performed, and other statements containing the words "estimates," "believes," "anticipates," "plans," "expects," "will," and similar expressions, constitute forward-looking statements within the meaning of The Private Securities Litigation Reform Act of 1995. Actual results may differ materially from those indicated by such forward-looking statements as a result of various important factors, including: our dependence on our contracts with federal government agencies for the majority of our revenue, our dependence on our GSA schedule contracts and our position as a prime contractor on government-wide acquisition contracts to grow our business, and other factors discussed in our latest annual report on Form 10-K filed with the Securities and Exchange Commission on February 17, 2011. In addition, the forward-looking statements included in this press release represent our views as of February 8, 2012. We anticipate that subsequent events and developments will cause our views to change. However, while we may elect to update these forward-looking statements at some point in the future, we specifically disclaim any obligation to do so. These forward-looking statements should not be relied upon as representing our views as of any date subsequent to February 8, 2012.
